## FAREWELL FUNCTION

31<sup>st</sup> March 2022,

**"THERE ARE NO GOODBYES, EVERY ENDING HAS A NEW BEGINNING!!"**

Babaria Institute of Pharmacy now known as Krishna School of Pharmacy & Research (KSP) has an affluent custom of giving farewell to the students of outgoing batches. It is the occasion for the outgoing students to look back at the time that they spent in the Campus, the memories they made, the education that they acquired during the period and to carry lifelong sweet memories of their college life.

This year farewell for B. Pharm. (2019-2022) and M. Pharm. (2020-22) outgoing batches was organized on 31st March, 2022 (Thursday) in KSP auditorium -1 from 10.00 am. - 1.30 pm.

The programme was anchored by Swapnil Joshi and Jhalak Patel (Students of B. Pharm Sem 6). Dr. Falgun A. Mehta addressed the outgoing students with his words of inspiration. He highlighted the importance of fundamental academic knowledge for successful career. He also explained the importance of self-respect, self-discipline, self-confidence and self-motivation by giving some live examples and sharing some practical experiences. Moreover, he focused on developing positive attitude in life. He also wished the students all the very best for their future endeavours. Dr. Meenakshi Patel, Dr. Manisha Lalan, Dr. Priyal Patel, Dr. Ashok Mahajan and Mr. Shreyash Diwakar also inspired the students to work hard in future and develop personal soft skills so that they would be ready to serve the pharma industries better, and also gave the good wishes for their future perspectives.

Students of M. Pharm and B. Pharm (Shikha and Rutvi) outgoing batch shared their feelings about the college, teachers and the campus atmosphere. They emphasized on the best ever teaching-learning experience they received from the teachers, qualities of different teachers and expressed their gratitude towards BIP and the management for providing them various facilities in order to develop their all-rounded personality. It was indeed a bittersweet moment for everyone.

Faculties motivating the students for their future perspectives

Hospital visit was organized on 25th May 2022 for the Students of B.Pharm Sem IV at Matrusri Davalba Ayurved Hospital, Varnama, Vadodara. Matrusri Davalba Ayurved Hospital established into the 2015 year. Matrusri Davalba Ayurved Hospital, a 60-bedded hospital having 7 specialty clinics equipped with modern infrastructure and competent Ayurveda practitioners from various specialties. Being situated beside National Highway and accessible by patients from neighboring 12 villages.

Dr. Malhari Sirdeshpande, Welcomed students and faculty members from Krishna School of Pharmacy. He and his colleague gave a brief presentation about Ayurveda, the perfect science or knowledge of life. Dr. Malhari continued his speech about the oldest method of treatment for human diseases, evolved around 600 BC in India. He also gave insight that, ayurveda provides an alternative or complementary medicine to allopathy practices. Not only in india but, also in the western word, Ayurveda therapies and practices have been integrated in general wellness applications he told in his presentation. In addition, He told students that, their intensions to provide Medical Care through Ayurvedic Systems of Medicine to the suffering humanity. During visit, Students observed that the hospital has been maintaining precise balance between Classical Ayurvedic concepts and Modern Medical advancements by utilizing modern diagnostic equipment for early as well as accurate diagnosis and then managing the diseases by unique

Ayurvedic medicines. Students and faculties interacted with staff of the hospital and tried to know various aspect of ongoing and upcoming activities.

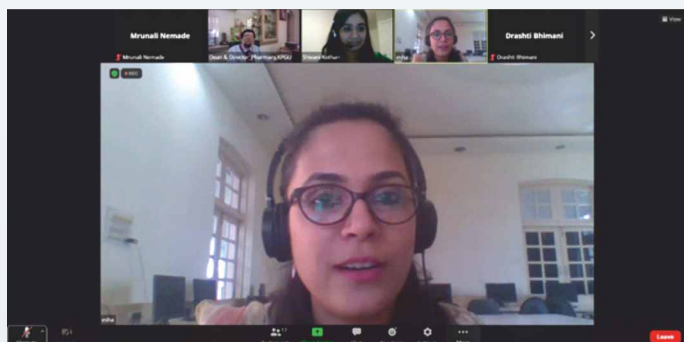

## GUEST LECTURE

09/05/2022

Expert Session was organized for the students of B. Pharm Sem VI and Sem VIII on topic "Scope of Pharmacy in Canada" by Ms. Shivani Kothari, Registered Pharmacist, Toronto, Canada. Ms. Shivani was welcomed and introduced by Ms. Esha Shah, Assistant Professor, Krishna School of Pharmacy & Research (Formerly known as Babaria Institute of Pharmacy).

Ms. Shivani is currently working as a registered Pharmacist, at Shoppers Drug Mart, Toronto, ON, Canada. She has more than one year of experience in retail pharmacy setting. She has also worked as Medical Writer at Sahajanand Medical Technologies Pvt. Ltd. Gujarat, India. She has also many publications in National and International journals.

Ms. Shivani started her talk with the basics of how to apply and get enrolled in Pharmacist's Gateway Canada. She also overviewed the process of getting registered as a Pharmacist in Canada in the form of flowchart. She also discussed some points regarding qualifying the exam i.e. PEBC exam. She gave some of the examples for the topics being asked in the qualifying exam by discussing case studies as a part of example. She also further discussed about the books, which books are more preferable for the beginners and also explained in depth about the subjects being covered under the exam.

The session was very interactive and indeed informative, students solved their queries by asking questions regarding attempt of the exam, fees structure and reference books or material for preparation of the PEBC exam.

## KRISHNA CENTRE OF INSTITUTIONAL CORPORATE RESPONSIBILITY (KCISR)

### THALASSEMIA CHECK-UP CAMP BY NSS UNIT 20/06/2022
