It was the act of service for the society especially for needy people – "Seva Parmo Dharma".

KRISHNA SCHOOL OF PHARMACY & RESEARCH (KSP)

INDUSTRIAL VISIT to ASIAN LIFECARE PVT. LTD. MANJUSAR

02/01/2023

- An industrial visit was organized on 2nd January, 2023 for B. Pharm. Semester - III students and M.Pharm. Semester - I students to Asian Lifecare Pvt. Ltd., Manjusar, Savli, Vadodara Gujarat.
- The visit was intended for providing practical exposure to the students of pharmacy department and get an experience about the working of the pharma companies.
- As the company is a WHO - GMP certified company, actively involved in manufacturing of Herbal Drug Products especially Tablets, Capsules, and Syrups; the students could observe the making of different formulations.

The company personnel explained the students and staff members about the various departments where manufacturing, packaging and quality control of herbal drug products were conducted. He described the functioning of store department, SOPs of raw materials, tagging and labelling procedures. The students and the faculty members were taken to the granulation, tablet compression, capsule filling department, packaging, and quality control department where the documentations like Standard Operating Procedures (SOPs), Batch Manufacturing Records (BMRs), Batch Packaging Records (BPRs), etc. were shown and discussed.

Industrial visit to Ambrosia Remedies Pvt. Ltd.

As a part of the curriculum of B. Pharm, an industrial visit for B. Pharm sem. VI students was organized. The visit serves to sensitize and educate them about the working of pharmaceutical industry and bring about awareness of the actual practices being followed in industries. For this very reason an industrial visit was organized at Ambrosia Pharmaceuticals on 13th March 2023. The students got to learn about the manufacturing processes of ointments, creams and tablets of antibiotics and were exposed to many more facilities like QA/QC. They understood various parameters as well.

CYBER SECURITY AWARENESS TRAINING SEMINAR

Krishna School of Pharmacy and Research(KSP)

With increase in cyber crimes around the globe with advances in technology there is a dire need of bringing about awareness amongst young populations about the same, the repercussions and the threat to the society. Vadodra Cyber Crime Cell, Crime Branch in association with Suraksha Setu Society and Vadodra Rural Police Department had organized Cyber Security Awareness Training Seminar for the students and faculty members of KPGU on 18th January 2023

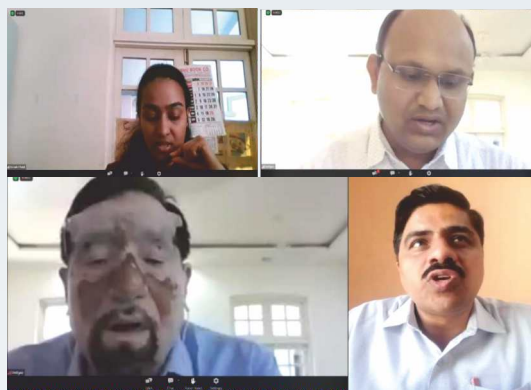

Dy. SP B. H. Chavda, PSI B. N. Gohil, Varnama Police Station, PSI Mr. D. M. Panchal, Cyber Expert, PSI Mr. Jigar Panchal, PSI P. K. Bhut were the Honorable Guests of the Cyber Security Awareness Training Seminar.

PSI Mr. D. M. Panchal, Cyber Security Expert had discussed about the types of Cyber Fraud and how the people can prevent Cyber Crime by not sharing their personal details with the unknown person. He had also demonstrated the audience with online hacking and how one can stop from being the victim of hacking with presentation.

The refresher course was inaugurated by the chief guest Dr. Shrikant V. Joshi, Executive Committee Member, Gujarat State Pharmacy Council, Ahmedabad. Dr. Shrikant Joshi sir in his remarks gave idea about the council activities. He briefed about the initiatives taken by GSPC for the online renewal of license, job portal and he also urged all the pharmacist not to rent his license to illegal activities. He said that we should promote our profession and maintain legal status of our profession.

GSPC-SPONSORED 2 DAYS ONLINE REFRESHER COURSE

Krishna School of Pharmacy and Research (KSP), KPGU, Vadodara organized Gujarat State Pharmacy Council Sponsored Refresher Course for Registered Pharmacists on 11th and 12th March 2023. Total 257 pharmacists participated from the 396 registrations in this event which was conducted online using Zoom platform

Refresher courses are mandatory for the registered pharmacists to stay Up To Date with the advances in the pharmacy field. In view of this, Krishna School of pharmacy and Research organized Gujarat State Pharmacy Council(GSPC) sponsored 2 days online refresher course, where various eminent faculties across Gujarat delivered the best of lectures and helped the registered pharmacists refresh their knowledge base.

EXPERT LECTURES

Patent Laws

A patent is an exclusive right granted by the Government to the inventor to exclude others to use, make and sell an invention in a specific period of time. A patent is also available for improvement in their previous Invention. The main motto to enact patent law is to encourage inventors to contribute more in their field by awarding them exclusive rights for their inventions. The session was taken by Dr. Prachi Pandey, Prof., Indian Patent Agent and Dy. Director, Centre of Startups and Entrepreneurship, Krishna School of Pharmacy and Research, KPGU, Vadodara.

Drug Interaction

A drug interaction is a reaction between two (or more) drugs or between a drug and a food, beverage, or supplement. Taking a drug while having certain medical conditions can also cause a drug interaction. For example, taking a nasal decongestant if you have high blood pressure may cause an unwanted reaction. A drug interaction can affect how a drug works or cause unwanted side effects. The session on above topic was taken by Dr. Vishnu Patel, Professor- Krishna School of Pharmacy & Research (KSP).

Covid 19 Immunization and its Significance

Covid 19 pandemic has affected the lives of plenty of people across the globe and hence its immunization is of utmost priority. The session on Covid 19 Immunization and its Significance was taken by Dr. Sonal Solanki, Associate Professor, Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrah.

Self-Medication and its Demerits

Self-medication is defined as the selection and use of medicines by individuals (or a member of the individuals' family) to treat self-recognized or self-diagnosed conditions or symptoms. Potential risks of self-medicating serious health conditions include incorrect self-diagnosis, increased risk of drug or supplement interactions, incorrect choice of therapy and risk of dependence and abuse. This session was taken by Dr. Vandana B. Patel, Professor, KSP (BIP)

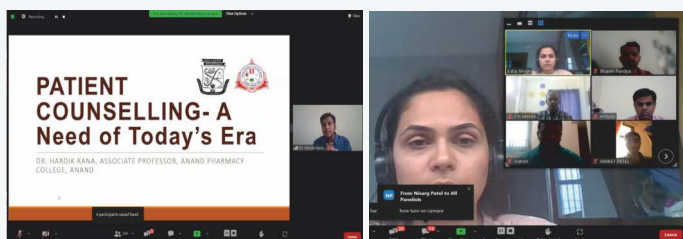

Novel Drug Delivery Systems

Dr. Meenakshi Patel, Professor, School of Pharmacy, Faculty of Pharmacy, Parul University, Vadodara.

Novel drug delivery system is a novel approach to drug delivery that addresses the limitations of the traditional drug delivery systems.

Patient Counselling: A Need of Today's Era

Dr. Hardik Rana, Associate Professor cum PG Coordinator, Anand Pharmacy College, Anand.

"PHARMA MARKETING MANAGEMENT"

A guest lecture was organized on 28th Feb. 2023 for the students of B. Pharm Sem VIII on topic "Pharma Marketing Management" by the faculties of Krishna School of Business Management, KPGU, Dr. Deepa Bhindora and Dr. Mohit Parekh. The respected speakers were welcomed and introduced by Ms. Esha Shah Assistant Professor, Krishna School of Pharmacy & Research (Formerly known as Babaria Institute of Pharmacy). Dr. Falgun Mehta and Dr. Shailesh Koradia presented a floral bouquet to the speakers on behalf of Krishna School of Pharmacy.

Pharma Marketing Management is an elective subject in the B. Pharm program and hence this topic was apt for the students of semester 8. The session included lots of case studies and intriguing examples for the better understanding of the students. The guest lecture was scheduled 10.30 am to 12:30 pm which gave a brief overview on topics such as Marketing, Product decision, Promotion, Pharmaceutical Marketing channels, pricing etc to name a few. The interactive session focussed more on participation and involvement of students in the lecture, so the whole lecture was effectively reached out to the students.

Highlights

- Introduction to sales and sales professionalism
- Overview on the traits: Physical, Mental, Emotional
- Importance of value creation
- Management and Marketing fundamentals

THERMAL POWER PLANT, WANAKBORI

The **Electrical Engineering Dept. of Krishna School of Diploma Studies (KSDS)**, Krishna School of Emerging Technologies & Applied Research (KSET), Babaria Institute of Technology (BIT), Varnama, Vadodara arranged an one day industrial visit for 4th & 6th semester, Electrical Engineering students on 21st March, 2023 respectively to improve their practical knowledge and get benefited in respective theoretical knowledge at the Wanakboti Thermal Power Station. Wanakbori Thermal Power Station, is a coal-fire based thermal power station in Gujarat, India. W.T.P.S is the biggest power plant in Gujarat. Students will get benefit regarding their theoretical subject of Electrical Power Generation.

The visit was very fruitful and our students observed each of energy conversion stages used in power plant starting from fuel section to switch yard. Many of their doubts were cleared by the discussion with experts of the plant. After visit at the Wanakbori Thermal Power Station (WTPS), the students understood the function of each sectors in thermal power station, their importance, their arrangement & precautions that to be used for the safety in the plant.

KPGU EVENT

Sports is the one field of life that teaches us the most valuable lessons about perseverance, patience in fact what constitutes a perfect character. Thus, from 20th-27th February 2023, KPGU organized the Sports event i.e. **"SWEET'23"**, for the year 2023-24. This event embodies the zeal, talents, and spirit of sportsmanship of the students of KPGU, encouraging them to be persistent and to refine their talents, achieving the greatest of heights.

Event started with the lighting of the lamp by Dr. Saluja Sir (Hon. Provost (I/c)), Dr. Paras Bhura (Sports Coordinator), and Core Team Members. Dr. Ajay Saluja welcomed the huge gathering of students and faculties. Thereafter, Several indoor and outdoor sports activities like chess, carrom, badminton, Table Tennis, Computer Games, Cricket, Kabaddi, Volleyball, Football, Basketball, Athletics, and Tug of war were conducted followed by the Oath Taking Ceremony pledging to uphold the honour and the spirit of true sportsmanship. Thereafter, Hon. Provost sir had declared Sports Week open. More than 3000 students from different Schools of KPGU (KSPR, KSP, KSET, KSN, KSDS, KAMC, KSS and KSC) participated in the event. The participating players were encouraged and cheered throughout the matches. The students showcased a great sense of discipline and mastery of skills achieved through months of hard work. The spirit of sportsmanship was in the air. The atmosphere of the University was one of festivity and jubilation.

At the end of SWEK 23 (27th Feb. 23), Hon. Provost (I/c), Dr. Ajaykumar Saluja sir, and respected registrar (I/c), Dr. Chirag Nagda sir delivered the strong concluding message by laying emphasis on the need to imbibe qualities of discipline, sportsmanship spirit and to never be disappointed by failure in life. Followed by a Prize distribution ceremony and felicitation of the rightful winners with medals and certificates of excellence. The best School trophy was given to KSET.

Vote of Thanks was proposed by the Sports coordinator, Dr. Paras Bhura. The whole gathering with immense pride sang the National Anthem. The beating of the Retreat marked the splendid end of the event with a look of accomplishment and pride on the faces of the students.

**Practice hard...
dream big...
never give up...
for you are going
to succeed !**
